This is UNEVALUATED Information

THE SOURCE EVALUATIONS IN THIS REPORT ARE DEFINITIVE.
THE APPRAISAL OF CONTENT IS TENTATIVE.
(FOR KEY SEE REVERSE)

1. The Cheb (WSL/P3P) main RR station has the following organizational set up: 25X1

The importance of the various sections and their relation to the Stationmaster are indicated by their horizontal position on the chart. So, for instance, the

- 2 -

Cadre Section is on the same level as the Stationmaster, the Station CP Organisation (KSC) holds a superior position to both of them, the Station TU Organisation (ROH) is on the same level as the Transport Technical Department (provozne technicky odbor) and the Auditing Office, etc.

2. The list of leading personnel at the Cheb RR station is as follows:

Function:	Name:	Rank:	Monthly Salary (netto):
Stationmaster	Josef Rysak	director, third grade	1,900 Kcs
Deputy Stationmaster	Bedrich Synek	director, third grade	1,700 Kcs
Commercial Deputy Stationmaster	Frantisek Polata	chief supervisor	1,650 Kcs
Dep. Stationmaster for Civil Defense	Josef Matejcek	chief supervisor	1,650 Kcs
Stationmaster's Senior Halper	Vaclav Rada	supervisor	1,600 Kcs
Stationmaster's Senior Halper	Josef Doubner	supervisor	1,600 Kcs
Stationmaster's Senior Halper	Karel Hornof	supervisor	1,600 Kcs
Senior Engineer	Josef Cech	supervisor	1,500 Kcs
Head of Transport Tech. Department	Rman Bros	supervisor	1,400 Kcs
Chief Auditor	Leopold Kominak	not specified	1,400 Kcs
Cadre Officer	Vaclav Smajdr	not specified	1,200 Kcs

All of the above mentioned officials are members of the Communist Party. However, only Smajdr, Hornof and perhaps also Bros can be rated as dangerous Communists.

3. There is no Army personnel at the Cheb RR station. The military Special Task (ZU) Departments exist only at the Railroad System Administrations and so far have not been established at the Territorial Offices. Their establishment at this level now seems improbable as the present tendency is to limit rather than to expand the competence of the Territorial Offices.
